

Boardroom Excellence Fellowship

Expand the Influence and Impact of your Top Executives

This is an executive career investment.

The illumyn Boardroom Excellence Fellowship unlocks board visibility, opportunity, and access for top VP+ leaders at companies with 10k+ employees.

"The illumyn Fellowship effectively bridges a vital gap in our leadership development portfolio. Beyond delivering top-notch learning experiences, it fosters vital connections, enabling practical, hands-on expertise. Historically, sourcing partners or developing this in-house presented challenges. With illumyn, participants benefit from a comprehensive enterprise understanding—a perspective sometimes overlooked in daily departmental roles. Additionally, through board service, they're introduced to an expanded viewpoint, refining their strategic vision for both immediate and long-term business objectives." — Kristy, Boardroom Excellence Fellowship Participant

Keep your top leaders engaged, energized, and committed.

Elite Executive Participants from top companies form exclusive peer groups.

Curated Referrals and personalized recommendations into the board ecosystem.

Exclusive Invitations to private events with CEOs, investors, and private equity leaders.

Time Efficient and Relevant developed by boardroom experts, designed for busy executives.

Networking Opportunities with other fellows will expand professional networks.

One-on-one Support to align experience with in-demand boardroom skills.

Executives who are in the board room are better operators. Offer what they really want: career momentum and opportunities with significance.

This isn't your average L&D investment.

The executives who serve on boards will become even better operators.

- Understanding the board room gives senior executives more context on how to deliver for their C-suite.
- Experience in strategic oversight leads to better corporate performance.
- Adopting proven, effective board member behaviors helps executives be more powerful in their day-to-day roles.

Board Qualified Executives tend to have these qualities:

- P&L responsibility or familiarity
- Cross-functional experience
- Deep domain expertise of value to a corporate board
- Experience advising C-level executives
- Strategic planning and operational expertise
- Adept at interpreting financial information
- Experience overseeing and managing risk

Costs

- Premier Fellowship – \$15,000
- Standard Fellowship – \$7,500

Participant Satisfaction: 4.8

"The sessions are so tight and precise on what they aim to achieve. The construct is a great balance of networking, discussions and discourse. I have found the program incredibly effective and helpful. Also I just plain enjoy the conversations." — Alok Juyal, SVP Finance and CFO - Personal Systems at HP

"I was searching for a board program that understood my specific goals, and I found exactly that. illumyn's Boardroom Excellence Fellowship offered more than training; it provided a personalized roadmap to success. I strongly recommend it to anyone aspiring for significant board roles." — Felica Coney, VP, Google
